Dr. Gernovich thanked the entire staff for all their hard work and extra effort during the past year, making it a successful year.

OTHER MATTERS BY BUSINESS MANAGER

OTHER MATTERS BY SUPERINTENDENT

Mrs. Yetzer commented on several topics:

- The District is required to complete an updated Health and Safety Plan by the end of July. It will be presented to the Board in August for consideration.
- Andy Passinger sent a district-wide email informing staff that the District will follow Governor Wolf's order, lifting the mask mandate. Anyone who wishes to continue wearing a mask may do so. Additionally, we ask that everyone continue to self-monitor and take necessary precautions if they are not feeling well. We will continue to monitor the pandemic situation, knowing that this may require us to make changes going forward.
- We have 29 interviews scheduled for several positions (service personnel, teachers, supplemental) and in August we will be bringing names to you for consideration.
- Our student, Neil Pognant, competed at the national level in the CNC Turning Specialist category and placed in the top 9 in the country! It will be a few weeks before we know exactly where he finished but placing in the top 9 in the country is an amazing accomplishment.
- Mrs. Yetzer asked the Board to consider going back to having our first meeting each month as a planning meeting, with the second meeting of the month a voting meeting. This would give everyone the opportunity to ask questions and further understand items coming to the board for consideration. Because not everyone is available to attend our Committee of the Whole meetings, this format would enable more board members to be involved in planning as well as being better informed of items appearing on the agenda.
- Mrs. Yetzer thanked Jordan Schrecengost (Corry Journal reporter) for his partnership with us during the past school year.
