All applicants are required to meet GLIT admissions requirements, as defined in the school catalog.

Students will not be charged tuition for the advanced placement credits earned as a result of this agreement. GLIT and CCTC will agree to review annually the provisions contained in this agreement. GLIT and CCTC will alter the provisions of this agreement only upon mutual written consent. It is understood that any revision will not adversely affect students already covered under the provisions of the existing agreement.

Either party may terminate this agreement upon six months written notification to the other party. Students in progress will be permitted to complete the program, should such termination of agreement occur.
