

**Articulation Agreement
between
Mercyhurst University
and
Corry Area High School**

This document sets forth the conditions upon which Mercyhurst University will accept coursework from graduates of Corry Area High School (CAHS) into any degree program at Mercyhurst University. This document sets forth those conditions to which the parties hereby agree.

A. Rationale for the articulation agreement

This articulation agreement applies to graduates of CAHS. The purpose of this agreement is to ensure, through clear communication, the efficient and orderly movement of students between the institutions while guaranteeing students' continuous advancement in learning. Specifically, this agreement identifies which series of CAHS courses will fulfill REACH requirements in the Mercyhurst University curriculum.

B. Description of how the agreement may be renewed or terminated

1. CAHS agrees to promptly notify Mercyhurst University upon any substantive modification to the curriculum of the courses named in this document, and further agrees that the terms of this agreement will no longer hold unless Mercyhurst provides a written approval that the curricular changes do not alter the intent of this agreement.
2. Mercyhurst University agrees to provide CAHS with information about any changes in the liberal arts (REACH) curriculum, should they occur. Conditions for admission into Mercyhurst University are stipulated in Section C of this document.
3. CAHS and Mercyhurst University agree to review the terms, conditions, and effects of this agreement every two years.
4. The terms of this agreement shall remain in effect, except as stipulated in certain previous terms listed herein, until terminated by either party. Any party may terminate the agreement with or without cause, on the provision of 120 days written notice to the other party.

C. Admission requirement and transfer of academic credits

Mercyhurst University agrees that graduates of CAHS will be eligible to receive credit for the courses they have taken at CAHS if they satisfy the following conditions:

1. Graduates of CAHS must complete the Mercyhurst University admissions process, which includes submitting an admissions application and providing the application fee and all transcripts from all post-secondary institutions in which the student has been enrolled.

2. Applicants to Mercyhurst University must meet the admissions requirements of the University as well as program requirements.

3. Acceptance of Credit: Graduates of the CAHS who enroll at Mercyhurst University will receive credit toward fulfillment of Mercyhurst University degree requirements. Table 1 provides specific information regarding the articulation of CAHS credits.

D. Uses of this agreement

Either party may cite the terms of this agreement in its official publications and other student communications.
