## **B. FERPA**

Family Educational Rights and Privacy Act (FERPA) is a federal law giving access rights to parents/guardians to their children's educational records. FERPA give the parents the right to inspect all records maintained by the school upon request. This law also limits the access of these records to those in the school who have "legitimate educational interest."

## **THE NORTHWEST TRI-COUNTY INTERMEDIATE UNIT, ITS MEMBER SCHOOL DISTRICTS, CHARTER SCHOOLS and PRIVATE REHABILITATION RESIDENTIAL INSTITUTIONS (PRRIs)**

Hereby Provide Annual Notification of Rights under FERPA for Elementary and Secondary Schools

The Family Educational Rights and Privacy Act (FERPA) afford parents and students over 18 years of age ("eligible students") certain rights with respect to the student's education records. These rights are:

- 1) The right to inspect and review the student's education records within 45 days of the day the Local Education Agency (LEA) receives a written request for access. The supervisor of student records will make arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected.
- 2) The right to request the amendment of the student's education records that the parent or eligible student believes is inaccurate, misleading or otherwise in violation of the student's privacy rights under FERPA. The parents or eligible students should write the supervisor of student records, clearly identify the part of the record they want changed, and specify why it is inaccurate or misleading. If the LEA decides not to amend the record as requested by the parent or eligible student, the LEA will notify the parent or eligible student of the decision and advise them of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing.
- 3) The right to consent to disclosures of personally identifiable information contained in the student's education records, except to the extent that FERPA authorizes disclosure without consent. One exception which permits disclosure without consent is disclosure to school officials with legitimate educational interests. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility. The LEA maintains a list of these school officials. Another exception permits the disclosure of LEA educational records without consent to officials of another school in which a student seeks or intends to enroll. It is the policy of the LEA to not release directory information except as specified in the above statements or without providing parents an opportunity to deny such releases.
- 4) The right to file a complaint with the U.S. Department of Education concerning alleged failures by the LEA to comply with the requirements of FERPA. The name and address of the Office that administers FERPA is: Family Policy Compliance Office U.S. Department of Education 400 Maryland Avenue, SW Washington, DC 20202-8520 Or call 1-800-872-5327.

## **C. LANGUAGE INSTRUCTION EDUCATIONAL PROGRAM FOR ENGLISH LEARNERS – CASD POLICY 138**

### **Identification and Placement of EL Students**

The district shall establish procedures for identifying and assessing the needs of students whose dominant language is not English. In order to identify which students are potential English Learners, the Home Language Survey shall be completed for each student upon enrollment in the district, and shall be maintained as part of the student's education records.

EL students shall be appropriately placed in accordance with the LIEP within the first thirty (30) days of the school year, or within fourteen (14) days of enrollment.

## **Program Access**

EL students shall have equitable access to and be encouraged to participate in all academic and extracurricular activities available to district students.

## **Assessment**

The district shall annually administer required assessments to EL students to measure students' English Language proficiency and progress in reading, writing, speaking and listening/understanding. Assessment results shall be maintained in the student's education records. Parents/Guardians may not opt students out of English language proficiency assessments.

EL students shall participate in all annual state or locally required assessments, with accommodations where applicable, and meet established academic standards and graduation requirements, in accordance with law, regulations and Board policy.

## **Program Exit**

The district shall include uniform provisions in the LIEP, in accordance with state required criteria, for:  
Reclassifying EL students as former EL students when they attain English language proficiency.

Actively monitoring and reporting the progress of former EL students for a period of two (2) years following reclassification and program exit.

Redesignating former EL students as active EL students if they struggle academically based on persistent language barriers.

## **Staff Qualifications and Professional Development**

Certified employees and appropriate support staff, when necessary, shall provide the LIEP. The district shall ensure that all teachers providing ELD instruction hold the appropriate certification and can demonstrate academic language proficiency both in English and in the language used for instruction in their classroom.

Non-ESL staff shall incorporate ELD into all classes for EL students, as well as provide supports, modifications and accommodations for curricular content to enable EL students to achieve academic standards.

The district shall provide appropriate training in ELD for all professional staff as part of the Professional Development Plan.

## **Special Education and Gifted Education Services**

EL students may be eligible for special education services when they have been identified as a student with a disability and it is determined that the disability is not solely due to lack of instruction or proficiency in the English language.

EL students may be eligible for gifted education services, when identified in accordance with law, regulations and Board policy. The district shall ensure that assessment of a student for gifted education services screens for intervening factors, such as English language proficiency, that may be masking gifted abilities.

Students participating in ELD instruction who are eligible for special education services shall continue receiving ELD instruction, in accordance with their Individualized Education Program (IEP) or Gifted Individualized Education Plan (GIEP), at the appropriate proficiency and developmental level.

## **Parent/Family Engagement and Communication**

Communications with parents/guardians shall be in the mode and language of communication preferred by the parents/guardians.

Within thirty (30) days of the beginning of each school year, or within fourteen (14) days of enrollment during the school year, the district shall notify parents/guardians of students identified as EL about the process for identifying their children as EL, the results of that process, and the recommended program placement. The district shall also provide parents/guardians with detailed information regarding the LIEP, the benefits of ELD instruction for their children, and an explanation of the program's effectiveness.

Parents/Guardians shall be regularly apprised of their child's progress, including achievement of academic standards and assessment results. The district shall maintain an effective means of outreach to encourage parental involvement in the education of their children.

## **Parental Right to Opt Out of ELD Programs and Services**

Parents/Guardians of EL students have the right to refuse specialized programs and services that may be part of the LIEP for their child. A parent's/guardian's decision to refuse programs or services must be informed and voluntary; the district shall not influence a parent's/guardian's decision in any way, or make any program or placement determinations without parental notification and an opportunity to opt the student out of programs and services.

The district shall make a parental waiver form available for parents/guardians to opt their EL child out of ELD programs and services.

The district shall document all notifications made to parents/guardians regarding assessment and recommended placements and programs for EL students, and whether or not a parental waiver form is received. When a waiver form is not received from the parent/guardian, the district shall proceed with the recommended placement.

EL students who have a parental waiver for ELD programs and services shall be assessed on English language proficiency annually, and shall be provided with supports and accommodations to participate in general curricular and extracurricular programs, in order to meet academic standards and graduation requirements.

Parents/Guardians of EL students who have been opted out of ELD programs and services shall be notified of their child's progress, including achievement of academic standards and assessment results, and shall be provided with opportunity and a form to opt their child back into ELD programs and services.

### **Gifted Services**

In accordance with the Board's philosophy to develop the special abilities of each student, the district shall provide gifted education services and programs designed to meet the individual educational needs of identified students.

## **III. Attendance Procedures and Guidelines – CASD POLICY 204**

“Attendance” is the presence of a student on days school is in session. “Absence” is the failure of a student to attend school on those days, half days and hours school is in session. Attendance shall be required of all students enrolled in the schools during the days and hours that school is in session, except when the absence is “excused” as set forth below.

**POLICY STATEMENT:** The Board of Directors of the Corry Area School District requires that school-aged students enrolled in the schools of this District attend school regularly in accordance with Pennsylvania law. The educational program offered by this District is predicated upon the presence of the student and requires continuity of instruction and classroom participation. The regular contact of students with one another in the classroom and participation in well-planned instructional activity under the tutelage of a competent teacher are vital to this purpose. The Board believes there is an educational nexus between classroom presence and achievement and that class attendance is relevant to the pupils' overall performance, achievement, and academic success. It is the policy of the Board that pupils who are “truant” or have missed class due to unexcused absences shall receive no credit for work or tests missed on the unexcused days, provided, however, the Administration in each building has the discretion to award credit to individual students who are involved in the truancy system and, as a result, have participated in “extra-help” nights at school.

### **A. DEFINITIONS:**

1. “Citation” shall mean a nontraffic citation or private criminal complaint.
2. “Compulsory school age” shall mean the period of a child’s life from the time the child’s parents elect to have the child enter school and which shall be no later than six (6) years of age until the child reaches eighteen (18) years of age. The term does not include a child who holds a certificate of graduation from a regularly accredited, licensed, registered or approved high school. According to the Pennsylvania State Supreme Court in *Commonwealth v. Kerstetter*, 2014 PA LEXIS 1500 (Pa., June 16, 2014), although parents are not required to enroll their child in kindergarten, once the election to enroll a child in school (including kindergarten) is made, the child is subject to the School Code’s compulsory attendance requirements.
3. “Court” shall mean a magisterial district court or a court of common pleas.
4. “Excused absence” shall mean an absence from school which is permitted under this Attendance Policy. Excused absences include:
  - a. Illness – If a student is dismissed from school during school hours for health-related reasons by a certified school nurse, registered nurse, licensed practical nurse or a school administrator or other school official, the student’s absence from school shall be deemed excused.

If a student is unable to attend school due to illness, the student shall submit to the District a written excuse from either his/her parent or licensed practitioner of the healing arts within three (3) school days after the absence. Failure to submit a written excuse within this time frame shall result in the absence being recorded as unexcused.

If a student accumulates more than ten (10) absences due to illness during one school year, the school administration shall require the student to provide a medical statement or excuse from a licensed practitioner of the healing arts for every subsequent absence due to illness. Failure to provide the requested medical excuse shall result in such absence being classified as unexcused. The District will send a notification to the parent/guardian/person in parental relation notifying the family of the future implementation of the “10-day rule” once a student has accumulated ten (10) absences due to illness during the school year.

- b. Death in the family, to allow for student to attend funeral or burial services.
  - c. Religious holidays and religious instruction (with religious instruction limited to a total of not more than 36 hours per school year).
  - d. Emergency – school administrators will determine whether a specific circumstance qualifies as an “emergency” on a case-by-case basis.
  - e. Delay or absence of school bus.
  - f. Educational tour/trip/high school shadow.
  - g. Family trips – Special permission is required for students to take family trips during the school year. Parents are strongly encouraged **NOT** to take family educational trips during the scheduled school year. However, if an educational trip must be scheduled during the school year, a form must be obtained from the school office and completed a week prior to the trip. Please understand that trips are limited to a total of five (5) school days. The Administration will review the trip and take into consideration the following when determining if the trip is approved: The student must have been absent less than five (5) days in the school year, excluding medical; be passing all of their courses; and have less than five (5) days of ISS and/or OSS. Missed assignments must be completed within five (5) days of returning. Trips will not be approved during the scheduled State assessments (PSSA and Keystones) and during the last ten (10) days of school. Any work that is not made-up will result in a score of zero by the teacher. Family trips that are not preapproved by the Administration shall result in the student’s absence being recorded as unexcused.
  - h. Court appearance.
  - i. Dental, medical and therapy appointments – Students who need to leave school for the purpose of obtaining professional health care, dental care or therapy service rendered by licensed practitioners shall submit a note from the parent and/or an appointment card from the doctor/dentist/therapist to the school office prior to the appointment. **Students/parents/guardians are asked to schedule medical appointments after school as much as possible.** The student must obtain written proof from the doctor/dentist that he/she appeared at the appointment, which **must be returned to the Attendance Office upon the student’s return to school, or the absence from school will be considered UNEXCUSED. Students must come to school prior and return to school after their scheduled appointment. Leaving unreasonably early or returning unreasonably late from these appointments will be considered unexcused absences from school.**
  - j. Weather emergency – If the Superintendent orders the schools closed, parents are not required to send a written excuse for their child’s absence on that day. If the Superintendent makes a public announcement that parents may use their discretion whether to send their child to school, parents/guardians may make the determination whether to have their child attend school. If the child misses school on an official “parent/guardian discretion day,” the parent/guardian must send a written excuse regarding that weather-related absence with their child upon the child’s return to school. Failure to send a written excuse in these circumstances will result in the absence recorded as unexcused.
  - k. Pennsylvania Agricultural Fair Act trips – as required by Section 1329(b) of the Pennsylvania Public School Code, students may be excused for participation in a project sponsored by an organization that is eligible to apply for a grant under the Pennsylvania Agricultural Fair Act, 3 P.S. §1505.
  - l. College visitation with documentation.
5. “Habitually truant” shall mean six (6) or more school days of unexcused absences during the current school year by a student who is of compulsory school age.

6. "Offense" shall mean each citation filed by the District with the Court for a violation of the requirement for compulsory school attendance requirements regardless of the number of unexcused absences alleged in the citation.
7. "Person in parental relation" shall mean a:
  - a) Custodial biological or adoptive parent.
  - b) Noncustodial biological or adoptive parent.
  - c) Guardian of the person of a child.
  - d) Person with whom a child lives and who is acting in a parental role of a child.

This definition shall not include any county agency or person acting as an agent of the county agency in the jurisdiction of a dependent child defined under 42 Pa.C.S. § 6302.

8. "School" shall mean the educational entity in which the child is enrolled.
9. "School attendance improvement conference" shall mean a conference where the child's absences and reasons for the absences are examined in an effort to improve attendance, with or without additional services. A "School Attendance Improvement Plan" will be drafted at this conference. The following individuals shall be invited to the school attendance improvement conference:
  - a) The child.
  - b) The child's person in parental relation.
  - c) Other individuals identified by the person in parental relation who may be a resource.
  - d) Appropriate school personnel.
  - e) Recommended service providers.
10. "School attendance improvement plan" shall mean a plan developed during the school attendance improvement conference, the purpose of which will be to identify the factors causing the truant behaviors and strategies which are intended to result in more regular attendance patterns.
11. "School day" shall mean the length of time that a compulsory school aged child is expected to be receiving instruction during a calendar day. The District has determined one school day is comprised of 330 minutes in grades 7-12 and 300 minutes in grades K-6.
12. "School-based or community-based attendance improvement program" shall mean a program designed to improve school attendance by seeking to identify and address the underlying reasons for a child's absences. The term may include an educational assignment in an alternative education program, provided the program does not include a program for disruptive youth established pursuant to Article XIX-C of the Pennsylvania Public School Code.
13. "Truant" shall mean having incurred three (3) or more school days of unexcused absences during the current school year by a compulsory school aged child.
14. "Unexcused absence" shall mean an absence from school which does not fall into one of the "excused absence" categories and/or for which a written explanation has not been submitted within the time period and in the manner required by the District in this Attendance Policy. An out-of-school suspension is not considered an unexcused absence. Students will receive no credit for work/assignments/tests which are due or are taken on dates that are unexcused, except for when the building administrator grants an exception on a case by case basis when a student is involved in the truancy process and has participated in "extra-help" programs at the school. Students who accumulate more than twenty (20) unexcused absences during their senior year may not walk during the graduation ceremony, although the Building Principal may make exceptions on a case by case basis when/if the student breaks the pattern of absences and goes a period of time with regular attendance.

**B. EXCUSED ABSENCES: A student's absence will be considered "excused" only if it falls within one of the categories defined above. The following procedure shall be followed when a student is absent from school:**

1. Parents/guardians are requested to call their student's School Attendance Office by 9:00 a.m. on the day their student is absent to report all excused absences or tardies.
2. Within three (3) school days from when a student returns to school after an absence, he/she must present a written excuse from a parent/guardian (or physician) to the school's designated attendance officer.

3. The written excuse shall provide the **student's full name, grade, list the dates of absence and an explanation of the reason(s) for the absence. The parent/guardian must sign and date the written excuse.**
4. Upon receipt of the required written excuse in the mandatory time frame, the absence will be recorded as a "legal absence." Building Principals may use discretion to extend the 3-day time frame for submitting excuses for extenuating circumstances, on a case by case basis but in no event may a Building Principal accept excuses later than ten (10) calendar days from the date of the student's return from the absence.

The following reasons for absences are NOT legal and shall NOT count as "excused" absences: family vacations, personal business (work/hair appointments/shopping), oversleeping, missing the bus, car problems, hunting, babysitting siblings or others, senior skip day, general excuses (such as "out of town," "at an appointment," or "family emergency"). Building administrators will contact parents/guardians to gain further explanation of general excuses.

\*Please note that students who are absent, even with an excuse, may not participate in any type of **school activity** the day of their absence.

**C. UNEXCUSED ABSENCES OF COMPULSORY SCHOOL-AGED STUDENTS AND TRUANCY VIOLATIONS:**  
**Repeated unexcused absences or their equivalent (unexcused tardy minutes or unexcused minutes of class cuts) constitute "truancy" and will result in the referral of the student and his/her persons in parental relation to Court for violation of compulsory attendance laws.**

Compulsory aged students must comply with the compulsory education/truancy provisions of the Pennsylvania School Code.

The following procedures shall be followed in accordance with mandatory Pennsylvania law:

1. **Truant Students.** When a student acquires three (3) or more days (or their equivalent) of unexcused absences during the current school year, s/he is considered "truant."
  - A. Within ten (10) school days of the student's third unexcused absence, the District will notify in writing the person in parental relation with the student who resides in the same household as the student of the student's compulsory school attendance violation. This written Truancy Notice shall:
    - i. Include a description of the consequences that will follow if the student become habitually truant (described below); and
    - ii. Schedule a School Attendance Improvement Conference.

When the Truancy Notice is transmitted to a person who is not the parent of the student, the Truancy Notice shall also be provided to the student's parent if the parent's mailing address is on file with the District and the parent is not precluded from receiving the information by court order.

- B. The School Attendance Improvement Conference:
  - i. Relevant school officials and recommended service providers, the person in parental relation with the student who resides in the same household as the student, the student's parent/s (if possible) and any other relevant individuals shall meet to discuss the reasons for the student's absences in an effort to improve attendance and to create a written School Attendance Improvement Plan ("SAIP").
  - ii. The Conference shall occur even if the person in parental relation with the student and/or parents decline to participate or fail to attend the scheduled conference. The District officials present at the **conference will proceed to discuss the student's attendance and will draft the SAIP** and shall then provide copies of the SAIP to the student, the person in parental relation with the student who resides in the same household as the student and the student's parent/s if parent/s' mailing address is on file with the District and the District can share the information with the parent/s.
  - iii. Compulsory school attendance/truancy prosecution shall not take place until the Conference takes place and the SAIP is completed.
2. **Habitually Truant Students.** Students are deemed to be "habitually truant" when they have acquired six (6) or more days of unexcused absences in the current school year. The procedures followed depend on whether the student is 14 years and younger or 15 years and older:

- A. Procedure for Habitually Truant Students Fourteen Years Old and Younger: If a student has acquired six (6) or more unexcused absences in the current school year and after the SAIP was completed at the Conference, the District shall:
- i. Refer the student to:
    - a) a school-based or community-based attendance improvement program, or
    - b) the Erie County Office of Children and Youth (or its child youth services equivalent in other counties) for services or possible disposition as a dependent child under 42 Pa. C.S. Ch. 63 (relating to juvenile matters). When/if the District refers the student to OCY/CYS for this purpose, the District must provide verification to OCY/CYS that the School Attendance Improvement Conference was held.
  - ii. File a citation in the office of the appropriate Judge against the person in parental relation who resides in the same household as the student, provided, however, the Building Administrator may take extenuating circumstances into account and determine not to file a truancy citation on a case by case basis.

3. Procedure for Habitually Truant Student Aged Fifteen (15) Years or Older: If a student has acquired six (6) or more unexcused absences in the current school year and after the SAIP was completed at the Conference, the District shall:

- iii. Refer the student to a school-based or community-based attendance improvement program or service, if one is appropriate and available in the opinion of the Building Administrator.
- iv. File a citation in the office of the appropriate Judge against the child or against the person in parental relation who resides in the same household as the child, provided, however, the Building Administrator may take extenuating circumstances into account and determine not to file a truancy citation on a case by case basis.
- v. If the Building Administrator does refer the student to a school-based or community-based attendance improvement program and the student either refuses to participate in that program and/or continues to incur additional unexcused absences after the referral, the District may refer the student to the Erie County Office of Children and Youth (or its children and youth services equivalent in other counties) for possible disposition as a dependent child under the provisions of 42 Pa. C.S. Ch. 63. When/if the District refers the student to OCY/CYS for this purpose, the District must provide verification to OCY/CYS that the School Attendance Improvement Conference was held.

4. Truancy Citations: When the District files truancy citations regarding a student's habitual truancy, the following shall occur:

- a. The citation shall be filed with the Judge based on the location of the school in which the student is enrolled. The school must provide verification that a School Attendance Improvement Conference was held.
- b. When a truancy citation is filed against a student and/or a person in parental relation who resides in the same household as the child, the Judge (not the District) shall send written notice of the truancy hearing to the school, to the person in parental relation and to Erie County Office of Children and Youth (or its children and youth services equivalent in other counties).
- c. At the truancy hearing:
  - i. The District has the burden of proving beyond a reasonable doubt that, while subject to compulsory school attendance, the student was habitually and without justification truant from school.
  - ii. It is an affirmative defense to a truancy citation filed against a person in parental relation who resides in the same household as the student if the person in parental relation to the student took every reasonable step to ensure attendance of the student at school.
  - iii. The District, to the extent possible, shall inform the Judge of any prior conviction of the child or person in parental relation who resides in the same household as the student for a violation of compulsory school attendance laws. The District, student and person in parental relation will be given an opportunity to present relevant information to the Judge, specifically including the student's attendance after the citation was filed and while the proceeding is pending.
  - iv. The Judge will issue a decision on whether the evidence established whether the student or person in parental relation has violated the compulsory school attendance requirements of the School Code.
- d. Filing subsequent truancy offenses after the initial truancy hearing: No citation may be filed against a child or a person in parental relation with the child who resides in the same household as the child for a subsequent violation of compulsory school attendance if any of the following circumstances apply:
  - i. The initial truancy proceeding is already pending against the student or a person in parental relation with the student who resides in the same household as the student and judgment in the first

proceeding has not yet been entered, unless a warrant has been issued for failure of the student or person in parental relation to appear before the court and the warrant has not yet been served.

- ii. A referral for services has been made to the Erie County Office of Children and Youth (or CY) and OCY/CYS has not closed the case.
- iii. A petition has been filed alleging the child is dependent due to being habitually truant under 42 Pa.C.S. Ch. 63 (relating to juvenile matters) and the case remains under the jurisdiction of the juvenile court.

5. Penalties for Violating Compulsory School Attendance Requirements.

- e. Both a student or a person in parental relation who resides in the same household as the student may be convicted of a truancy violation. In such case, the following penalties may be ordered by the Judge:
  - i. sentenced to pay a fine for the benefit of the school that is responsible for the truancy proceedings in an amount not exceeding three hundred dollars (\$300) together with court costs except that, in the case of a second offense, the maximum fine for a person in parental relation may be a higher amount within their ability to pay not exceeding five hundred dollars (\$500) together with court costs and, in the case of a third or subsequent offense, the maximum fine for a person in parental relation may be a higher amount within their ability to pay not exceeding seven hundred and fifty dollars (\$750) together with court costs;
  - ii. sentenced to perform community service; or
  - iii. required to complete an appropriate course or program designed to improve school attendance which has been approved by the president judge of the judicial district.
- f. The Judge may suspend the sentence of a person convicted of an offense and may remit or waive fines and costs if the student attends school in accordance with a plan devised by the Judge.
- g. Upon a second or subsequent conviction of a student or a person in parental relation with the student who resides in the same household as the student for a violation of the requirements of compulsory school attendance in a Court within this Commonwealth within a three-year period, the Court shall refer the child for services or possible disposition as a dependent child under 42 Pa.C.S. Ch. 63.
- h. Upon failure of a person to satisfy the penalty of a fine imposed by the Court under Paragraph a, above, the person in parental relation may be found in contempt of court and, upon conviction, may be sentenced to the county jail for a period not to exceed three (3) days in any one case. The Court shall make such a determination based on specific finding that the person in parental relation had reasonable ability to comply with the penalty imposed and that noncompliance was willful. The following shall apply:
  - i. In the case of a student, the failure to satisfy a fine or costs imposed under this section shall not be considered a delinquent act.
  - ii. The president judge of a judicial district may adopt a local policy under 42 Pa.C.S. § 6304 (relating to powers and duties of probation officers) and the Pennsylvania Rules of Juvenile Court Procedure to provide that a juvenile probation officer may receive allegations that the student who fails to satisfy a fine or costs imposed under this section is dependent for the purpose of considering the commencement of proceedings under 42 Pa.C.S. Ch. 63.
- i. If a student is convicted of a violation of the compulsory school attendance requirements, the Court may send the Pennsylvania Department of Transportation a certified record of the conviction on a form prescribed by the Department only if the student fails to comply with a lawful sentence entered for the violation and is not subject to an exception to compulsory attendance pursuant to Section 1330 of the School Code.
- j. The Department of Transportation shall suspend for ninety (90) days the operating privilege of a student upon receiving a certified record that the student was convicted of a summary offense under the compulsory school attendance requirements. If the Department of Transportation receives a certified record of a second or subsequent conviction of a student pursuant to this section, the Department shall suspend the student's operating privilege for six (6) months.
- k. A student whose record is received by the Department of Transportation as described above and who does not have a driver's license shall be ineligible to apply for a driver's license under 75 Pa.C.S. § 1505 (relating to learners' permits) and 1507 (relating to application for driver's license or learner's permit by minor) for the time period specified in Paragraph 4(f) above. If the student is under sixteen (16) years of age when convicted, suspension of operating privileges shall commence in accordance with 75 Pa.C.S. § 1541 (relating to period of disqualification, revocation or suspension of operating privilege) for the time specified in Paragraph 4(f).
- l. A student whose driving privileges have been suspended or whose eligibility for a permit or license is delayed under this section may have that license or eligibility restored by providing the Department of Transportation with a form developed by the Department of Transportation containing the following information in the form of a certified record from the student's school that the student:
  - m. has attended school for a period of at least two (2) months after the first conviction or four (4) months

- after the second conviction without an unexcused absence or unexcused tardy;
- ii. is subject to an exception to compulsory attendance under Section 1330 of the School Code; or
- iii. has graduated, withdrawn from school pursuant to compulsory attendance requirements under Section 1327 of the School Code, has received a general education diploma or has enlisted in the military.
- i. Expungement of Record for Student Under Certain Conditions. Upon application from a student who has a conviction of a summary offense of compulsory school attendance violations, the Court shall grant an expungement of the conviction from the student's record if all of the following apply:
  - i. The student has earned a high school diploma, a Commonwealth secondary school diploma or another Department of Education-approved equivalent, or is subject to an exception to compulsory attendance under Section 1330 of the School Code.
  - ii. The student has satisfied any sentence imposed by the court with respect to the conviction, including payment of fines and costs.

If the Court grants an expungement as described under Paragraph 4(i), the Court shall order the Department of Transportation to expunge all administrative records related to the convictions.

**D. UNEXCUSED ABSENCES FOR STUDENTS BEYOND COMPULSORY SCHOOL AGE: (students 18 years or older):** Students who are beyond compulsory school age are not subject to the truancy provisions of the Pennsylvania Public School Code. However, these students are subject to the following rules related to attendance:

1. Students who have missed days of school or specific classes for reasons that do are not considered "excused" shall receive no credit for work or tests missed on the unexcused days of classes.
2. Students who accumulate ten (10) unexcused absences during one school year will no longer be eligible to participate in and/or attend all extracurricular activities and clubs, including but not limited to: field trips, participating in all athletics and other extracurricular activities, attending (as a spectator) all athletics and other extracurricular activities, dances, etc. However, after a period of improved attendance, the Building administrator has the discretion to reinstate a student's privileges to participate in and/or attend extracurricular activities and clubs.

**E. ATTENDANCE FOR STUDENTS ON HOME TUTORING PENDING EXPULSION:** For students who are on out of school suspension pending expulsion, the District considers those students legally absent from school for those ten days of suspension. Students will receive home tutoring services after the tenth day of suspension until they return to school or until they begin their expelled placement. One hour of home tutoring is the equivalent of one day of attendance at school, and a student's attendance record will reflect that. A student's failure to attend or participate in one hour of home tutoring shall be considered one unexcused day of absence, unless the parent/guardian submits an excuse for that absence consistent with the District's Attendance Policy.

Compulsory school attendance (truancy) rules apply to students on home tutoring. This means a student's failure to participate in three hours of home tutoring without a legitimate excuse for those absences will equate to three days of unexcused absences, triggering the truancy provisions outlined in the Attendance Policy.

**F. MAKE-UP-WORK:** In the case of excused absences, the student shall be expected to make up any assignments or tests that may have been missed. It is the responsibility of the **student** to contact the teacher regarding class content and homework, and it is upto the discretion of the teacher as to the amount of time allowed to complete the make-up work. The teacher will provide the necessary make-up work for the student.

- Make-Up Work will be collected at each school building for students that are absent or plan to be absent due to illness for two (2) or more consecutive days.
- Parents/guardians wishing to pick up assignments at the school on the day of their request must contact the school by 8:00 a.m. of that school day. Assignments will then be available for pick up in the High School Office of the school no earlier than 3:00 p.m.
- Requests for student assignments made after 8:00 a.m. must be picked up in the High School Office after 3:00 p.m. of the following school day.
- Students that have been absent more than ten (10) days due to illness, excluding those days excused through written documentation from a licensed physician, are not permitted to request Make-Up Work without first submitting a medical excuse from a licensed physician.
- Secondary students in grades 9-12 that receive an unexcused/illegal absence may not be permitted to make up work, and students may receive a zero for any work due or conducted or any evaluative measures administered during the time the student was not in attendance.
- The Superintendent or designee may consider the extenuating circumstances.

**G. LATE ARRIVALS/TARDINESS:** Students arriving after 8:30 am and prior to 8:45 am should enter through Door #26 - the West Gym hallway and sign in. Students arriving after 8:45 am will enter through Door #1 to sign in at the High School Office and obtain a pass. A late arrival will be considered excused if it is for one of the reasons considered excused in accordance with Board

policy and an excuse from the parent/guardian is presented at the time the student arrives to school. An unexcused tardy will be given to any student arriving late to school without an excuse from the parent/guardian and for any reason other than those considered excused. Chronic unexcused tardies may result in prosecution of compulsory school attendance laws. Three hundred and thirty (330) unexcused tardy minutes constitute one illegal day of absence for secondary student; (grades 6-12); three hundred (300) unexcused tardy minutes constitute one illegal day of absence for primary student (grades Pre-K-5).

When a secondary student accumulates three (3) tardies per quarter, any additional unexcused tardies may result in the following:

4th and 5th Tardy	After School Detention
6th and 7th Tardy	In-School Suspension
After 8 <sup>th</sup> Tardy	Discipline Hearing

**H. ATHLETES, EXTRACURRICULAR, AND WORK PROGRAM STUDENTS:** Students participating in athletics, extracurricular activities, and work programs are permitted three (3) tardies (8:30 – 8:45 am) per nine week grading period and will still be able to participate in their activity on the day they are tardy. Upon the fourth (4th) tardy and for every tardy that follows, participation will not be permitted in the activity on that day. **Any tardy after 8:45 am, without a doctor’s excuse, will result in no participation in their activity that day.**

**I. EDUCATIONAL FIELD TRIPS OR TOURS:** To determine if a student shall be permitted to participate in a school-associated trip or tour (foreign language, band, etc.) the Superintendent or designee may give consideration to the student’s record of unexcused/illegal and/or excessive absences, school discipline, and academic record.

**J. COLLEGE VISITS:** College initiated requirements and appointments, with verification necessary for admission for college, will not result in an absence from school and will be counted as the student being present in school (i.e., entrance exams, scholarship testing, etc.) pending a letter of attendance from a college official.

**K. FAMILY EDUCATION VISITS:** Parents/guardians are strongly encouraged NOT to take family educational trips during regularly scheduled school time. However, if an educational trip must be scheduled when school is in session, the following procedure must be followed:

1. Family Educational trips are limited to a maximum of five (5) days per school year.
2. One week prior to the trip, a parent/guardian must complete a Family Educational Trip Request Form and submit it to the building principal for approval.
3. The following criteria must be met to be considered by the building principal when approving/denying a parent/guardian request for a Family Educational Trip:
4. Attendance: Student has accumulated five (5) or less days of total absences, excluding medical, for the current school year.
5. Academic: Student has no failing grades at the time of the trip request.
6. Behavior: Student has received five (5) or less total days of suspensions (ISS or OSS) or detentions (ASD) for the school year.
7. Classroom assignments missed during the approved educational trip will be provided to the student upon their return to school. The student will have five (5) calendar days to submit all missed assignments for grading to the appropriate teacher. Should a student fail to submit the assignments to the teachers within this designated time, each assignment will be recorded as a zero by the classroom teacher.
8. If a student is denied approval for the trip, any quiz/test, class work, or homework, missed during his/her absence will be recorded as zeros by the teacher.
9. Request for Family Educational Trips will not be approved by the building principal during the State Assessment window for those students scheduled to take the State Assessments (PSSAs and Keystones).
10. Requests for Family Educational Trips will not be approved by the building principal for the last ten (10) days of school.
11. Family trips that are not preapproved by the Administration shall result in the student’s absence being recorded as unexcused. During the COVID-19 pandemic, the Administration will not approve a family trip to a “hot spot” area as designed by the Pennsylvania Governor unless the family agrees to voluntarily quarantine their students from school for 14 calendar days upon their return. The family must agree to have their students participate in CASD Supported Remote Learning option during the 14day quarantine period as a prerequisite for trip approval.

**L. ATTENDANCE FOR STUDENTS PARTICIPATING IN VIRTUAL OR DISTANCE LEARNING DUE TO COVID-19 PANDEMIC:** Compulsory school attendance (truancy) rules apply to students who may be receiving their instruction through virtual or distance learning during periods of school closure or being used as a method of complying with mandated social distancing safety requirements. A student’s failure to participate in the required number of hours in these alternative learning platforms could result in that lack of participation being categorized as unexcused absences from school, with a possible consequence of truancy prosecution. If students are struggling with participation in distance learning – whether through accessibility issues with technology or any other reason – students and parents/guardians are encouraged to communicate with District officials for assistance prior to

compulsory attendance becoming an issue.

#### **M. ENROLLMENT OF STUDENTS – CASD POLICY 200** **Enrollment Requirements**

A school age student shall be entitled to attend the schools of the district of residence.

The district shall normally enroll a school age, eligible student the next business day, but no later than five (5) business days after application.

The district shall not enroll a student until the parent/guardian has supplied all required items as enumerated on the appropriate registration checklist.

The district shall immediately enroll identified homeless students, even if the student or parent/guardian is unable to produce the required documents, in accordance with Board policy, laws and regulations.

The district shall not inquire about the immigration status of a student as part of the enrollment process.

Enrollment requirements and procedures shall apply to nonresident students approved to attend district schools, in accordance with Board policy.

The district shall administer a home language survey to all students enrolling in district schools for the first time.

Children and families with limited English proficiency must be provided translation and interpretation services to the extent needed to help the family understand the enrollment process and to enroll the students in school promptly per the Civil Rights Act of 1964, Title VI, 42 U.S.C. §2000d et seq. and the Equal Education Opportunity Act, 20 U.S.C. §1703.

### **IV. Transportation (Busing and Walking)**

#### **BUSING**

The riding of a school bus is a privilege that the School District provides for students who reside in busing areas within the District. Therefore, students who violate the School District's bus policies may be denied this privilege. It is a violation for pupils to ride a bus other than the one to which they are assigned or to leave the bus at a stop other than their assigned stop except for urgent reasons. **Bus riders will be permitted a maximum of two (2) stop locations: home and/or childcare, custody arrangements. Video and audio monitoring will occur on the buses and may be used in disciplinary actions.**

Students will not be permitted to ride home on the bus with another student. Emergency situations will be handled on a case-by-case basis. An emergency is defined as: a serious situation or occurrence that happens unexpectedly and demands immediate action. In the event of an emergency, the guardian should contact the school office to arrange an alternate approved bus stop on an established bus route. The following will not be accepted as emergencies; parties, personal appointments, visiting friends, or other matters of convenience.

**Parents/Guardians are not permitted to take their elementary child off the bus at the Middle-High School. Elementary students are able to be picked up at their respective school and/or Corry Primary. Parents/Guardians should contact the schools for directions for car riders.**

WHEN STUDENTS ARRIVE AT SCHOOL IN THE MORNING, THEY ARE NOT PERMITTED TO LEAVE SCHOOL PROPERTY.

Doors at the Middle-High will be unlocked at 8:10 a.m. Student drivers or car drop off lanes will not exit their vehicles until that time. Once students arrive at school in the morning, they are not permitted to leave school property. Students are to vacate the premises immediately at the end of the school day, unless participating in afterschool activities.

Students who ride buses to and from school are expected to conduct themselves in an acceptable manner. Students are hereby on notice that all District rules and policies apply to students while they are on school-provided transportation. In addition, the following bus conduct guidelines shall be enforced:

#### **A. PRIOR TO LOADING (ON THE ROAD, AT BUS STOPS, AND AT SCHOOL)**

1. Be on time to the designated bus stops – at least 5 minutes prior to scheduled arrival.
2. Dress according to the weather.

3. In walking to a stop without sidewalks, walk facing traffic. When waiting at the stop, stay back away from the road.
4. Stay off the road while waiting for the bus.

6. Wait until the bus comes to a complete stop. Wait for the bus driver's signal before approaching the bus. When crossing the road, always watch for traffic.
7. Do not push or crowd when boarding.
8. No pets allowed on the bus.
9. Face covering must be worn in accordance with universal face covering order.

3. Do not push or shove when leaving the bus.
4. Be alert to danger signal from the driver.
5. Help look after the comfort and safety of other students.
6. After leaving a bus, if it is necessary to cross the road, do so at least 10 feet in front of the bus and only after looking to be sure that no traffic is approaching from either direction. **NEVER CROSS BEHIND THE BUS!**

**D. EXTRACURRICULAR TRIPS**

The above rules and regulations apply to any trip under school sponsorship.

**E. BUS DRIVER RIGHTS AND RESPONSIBILITIES**

1. Pupils transported in a school bus shall be under authority of, and responsible to, the driver of the bus. Continued disorderly conduct, or persistent refusal to submit to the authority of the driver, shall be sufficient reason for a pupil to be denied transportation in accordance with the regulations of the governing Board of the District. The driver of any school bus shall be held responsible for the orderly conduct of the pupils transported.
2. Bus drivers are authorized to assign seats to the students.

**F. DISCIPLINARY ACTION**

record the disposition of that conversation. This process will continue for three contacts per student. Documentation of incidents will be forwarded to the building principals. Additionally, the consequences that are assigned to a violation of any school policy shall apply.

Level 2 – After 3<sup>rd</sup> Offense, a meeting will be scheduled between the Transportation Director and Bus Contractor/Manager to review incidents. The Transportation Director will meet with the building principal to discuss consequences. The building principal will contact the parent/guardian. Additionally, the consequences that are assigned to a violation of any school policy shall apply.

NOTE: If in the case of eminent danger to self or others due to the actions of a student while in the transportation of that student occurs, a meeting of the Driver, Bus Contractor/Manager and the Director of Transportation will be held to address the student's actions and a determination of that student's participation in the transportation program.

IN ADDITION THE FOLLOWING POLICIES ARE IN EFFECT:

The Corry Area School District Discipline Policy will be enforced on all school-sponsored trips and transportation. Suspension of bus privileges does not relieve the parents of their responsibility to the compulsory attendance laws of Pennsylvania. Destruction of bus property will result in the payment for all damages by the parent/guardian before students are permitted to ride the bus. Possession of a knife or any other weapon on a school bus/property is prohibited and against the law.

#### **G. WALKERS**

Students who are not bused should be aware of the following guidelines:

  - i. The hearing shall be held within 15 school days of the notification of charges, unless mutually agreed to by both parties. A hearing may be delayed for any of the following reasons, in which case the hearing shall be held as soon as reasonably possible: (1) Laboratory reports are needed from law enforcement agencies; (2) Evaluations or other court administrative proceedings are pending due to a student invoking his rights under the Individuals with Disabilities Education Act; (3) In cases in juvenile or criminal court involving sexual assault or serious bodily injury, delay is necessary due to the condition or best interests of the victim.

In such case, when it is not possible to hold a formal hearing within the period of suspension, the student may be excluded from school for more than 10 school days. A student may not be excluded from school for longer than 15 school days without a formal hearing unless mutually agreed upon by both parties. For additional information related to Section 504/Chapter 15 services, the parent may refer to Section 504, Chapter 15, and the Basic Education Circular entitle Implementation of Chapter 15. Also, school districts are required to conduct child find activities for children who may be eligible for gifted services via 22 PA Code Chapter 16. For additional information regarding gifted services, the parent may refer to 22 PA Code Chapter 16. If a student is both gifted and eligible for Special Education, the procedure in IDEA and Chapter 14 shall take precedence.

This notice shall inform parents throughout the school district, intermediate unit, and charter schools of the child identification activities and of the procedures followed to ensure confidentiality of information pertaining to students with disabilities or eligible young children. In addition to this public notice, each school district, intermediate unit and charter schools shall publish written information in the handbook and on the website. If parents believe that the child may be eligible for special education, the parent should contact the school district where the child attends or the Director of Special Education for the NW Tri-County Intermediate Unit identified at the end of this public notice. Children age three through the age of admission to first grade are also eligible if they have developmental delays and, as a result, need special education and related services. Developmental delay is defined as a child who is less than the age of beginners and at least three years of age and is considered to have a developmental delay when one of the following exists: (i) The child's score, on a developmental assessment device, on an assessment instrument which yields a score in months, indicates that the child is delayed by 25 percent of the child's chronological age in one or more developmental areas, or (ii) The child is delayed in one or more of the developmental areas, as documented by test performance of 1.5 standard deviations below the mean on standardized tests. Developmental areas include cognitive, communicative, physical, social/emotional and self-help. For additional information you may contact the Early Intervention Department at the Intermediate Unit. (See Evaluation Process below for contact info.)

### **Evaluation Process**

Each school district, intermediate unit and charter schools have a procedure in place by which parents can request an evaluation. For information about procedures applicable to your child, contact the school, which your child attends. Parents of preschool age children, age three through five, may request an evaluation in writing by addressing a letter to the Early Intervention Supervisor, NW Tri-County Intermediate Unit #5, 252 Waterford St., Edinboro, PA 16412 or call 1-800-677-8461.

Once written parental consent is obtained, the school district, intermediate unit, charter schools, or PRRI's will proceed with the evaluation process. If the parent disagrees with the evaluation, the parent can request an independent education evaluation at public expense.

### **Program Development**

Once the evaluation process is completed, a team of qualified professionals and the parents determine whether the child is eligible. If the child is eligible, the individualized education program (IEP) team meets, develops the program, and determines the educational placement. Once the IEP team develops the program and determines the educational placement, school district staff, intermediate unit staff or charter school staff will issue a notice of recommended educational placement/prior written notice. Your written consent is required before initial services can be provided. The parent has the right to revoke consent after initial placement.

**D. Section 504 Service Agreement** - a medical plan of care which references development and implementation of an IHP and ECP as well as other accommodations, educational aids and services a student with a documented severe or life-threatening food allergy requires in order to have equal access to educational programs, nonacademic services and extracurricular activities as students without food allergies.

#### Guidelines

Prior to enrollment in the district or immediately after diagnosis of a food allergy, appropriate medical plans of care such as an ECP, IHP, Section 504 Service Agreement and/or IEP shall be developed for each student identified with a food allergy. Plans shall be developed by the school nurse, in collaboration with the student's healthcare provider, the student's parents/guardians, district or school nutrition staff, the student, if appropriate, and any other appropriate persons.

Medical plans of care should include both preventative measures to help avoid accidental exposure to allergens and emergency measures in case of exposure, including administration of emergency medication.

A complete set of a student's current medical plans of care related to food allergies shall be maintained by the school nurse. The decision to accommodate such a student shall be made on a case-by-case basis.

Students who fall under this provision must have a written medical statement signed every year by a physician, physician assistant or certified registered nurse practitioner identifying the following:

1. The medical or other special dietary condition which restricts the student's diet.
2. The food(s) to be omitted from the student's diet.
3. The food or choice of foods to be substituted.

### **Masks/Face Coverings**

On August 23, 2021, the Erie County Department of Health issued the Order of the Erie County Department of Health Requiring Face Coverings for Persons within Erie County Public and Private Schools which states "individuals are required to wear face coverings when within an enclosed area of a public or private pre-school, primary or secondary school, including employees, students, visitors, and contractors. The order is effective immediately and will remain in effect until further notice."

In addition, under a CDC Order issued in January 2021, the CDC requires masks, regardless of vaccination status, when on public transportation - this includes on school buses and vans operated by public and private school systems. Under the orders, students are required to wear masks while in the school buildings and on District-provided transportation.

1. The term "face covering," is defined in the Order from the Erie County Department of Health as follows: "Face covering" means a covering of the nose and mouth that is secured to the head with ties, straps, or loops over the ears and is wrapped around the lower face. It must completely cover the nose and mouth. A "face covering" can be made of a variety of synthetic materials or natural fabrics, including cotton, silk, or linen. "Face coverings" may be factory-made or sewn by hand, and whenever possible should include two or more layers of washable, breathable fabric.

2. The Order allows individuals to request an exemption from the mask-wearing rule for the following reasons:
- a. Students who cannot wear a mask due to a medical condition, including but not limited to those with respiratory issues that impede breathing, mental health condition, or disabilities;
  - b. Students for whom wearing a mask while working or performing tasks required of a student would create an unsafe condition;
  - c. Students who would be unable to remove a mask without assistance;
  - d. Students under two years of age;
  - e. Students who are communicating or seeking to communicate with someone who is hearing-impaired or has another disability, where the ability to see the mouth is essential for communication;
  - f. Students with a bona-fide religiously based objection to wearing a face covering;
  - g. Students engaging in instructional activities that cannot reasonably be undertaken while masked, as, for example, playing certain musical instruments;
  - h. Athletes and other student participants in indoor extra-curricular activities where masking requirement is inconsistent with the nature of the sport of activity, or otherwise impractical.

If you are requesting an exemption to the Order due to a medical condition, including but limited to those with respiratory issues that impede breathing, mental health conditions, or disabilities, please contact Mrs. Amy Helsley at [ahelsley@corrysd.net](mailto:ahelsley@corrysd.net) or (814) 664-4677 ext. 1219. Accommodations for conditions documented in accordance with Section 504 of Rehabilitation Act or IDEA, that precludes the wearing of a face covering in school shall be made in partnership with the student's health care provider, school nurse, and IEP/504 team. Any student not currently being serviced under IDEA or Chapter 15/504 that may require exemption to the face covering order for medical or mental health reasons will be referred for a Chapter 15/Section 504 screening.

3. Masking will be enforced by the building level administrators. When a violation of this policy is identified, the student will be warned

and a mask will be provided. Subsequent refusals will result be considered insubordination and a violation of school rules, resulting in a referral for expulsion from the District. The student may avoid expulsion referral if s/he agrees to be educated through a remote learning option.

This Mask Policy may be amended or revised by the Superintendent during the school year to ensure consistency with updates to the District's Health and Safety Plan and/or new Orders issued by the federal, state, or local government entities.

#### **L. LOCKERS**

Lockers are the property of the Corry Area School District and assigned by building administrators to students for their convenience and use during the school year. Lockers and combination locks are issued to students at the beginning of the year. Students are not permitted to use private locks or share their combination with others. All lockers, including locker room lockers and CTC lockers, are and shall remain property of the Corry Area School District. Students shall have no expectation of privacy in their school lockers. (Refer to RIGHT TO SEARCH section of this Handbook.). Each student is responsible for the locker assigned to him/her. Lockers are to be kept clean, both inside and outside. Damage caused by misuse of tape, etc., will be charged to the student responsible. Any locker malfunction should be reported to a teacher or the office.

Students are cautioned not to keep money or other valuables in their lockers. **THE CORRY SCHOOL DISTRICT WILL NOT BE HELD RESPONSIBLE FOR ANY LOST OR STOLEN ITEMS FROM THESE LOCKERS.** Money and other valuables should be turned in to the office for safekeeping. Students are not permitted to loiter in the hallways or at their lockers after 4:00 PM.

#### **M. REVIEW OF INSTRUCTIONAL MATERIALS BY PARENTS/GUARDIANS AND STUDENTS – CASD POLICY 105.1**

**Instructional material** means instructional content that is provided to a student, regardless of its format, including printed or representational materials, audiovisual materials, and materials in electronic or digital formats (such as materials accessible through the Internet). For purposes of this policy, the term does not include academic tests or academic assessments.

Upon request by a parent/guardian or student, the district will make available existing information about the curriculum, including academic standards to be achieved, instructional materials and assessment techniques.

The following conditions shall apply to any request:

1. To assist the school district in providing the correct records to meet the needs of the requesting party, the request must be in writing, setting forth the specific material being sought for review.
2. The written request will be sent to the building principal.
3. The district will respond in writing to the parent/guardian or student within ten (10) school days by designating the time and location for the review.
4. The district may take necessary action to protect its materials from loss, damage or alteration and to ensure the integrity of the files, including the provision of a designated employee to monitor the review of the materials.
5. No parent/guardian or student shall be permitted to remove the material provided for review or photocopy the contents of such file. The taking of notes by parents/guardians and students is permitted.

Under federal law, the rights provided to parents/guardians to inspect any instructional materials used as part of the student's educational curriculum transfer to the student when the student turns eighteen (18) years old or is an emancipated minor. These rights do not transfer under state law; therefore, parents/guardians retain their rights to access information about the curriculum and to review instructional materials.

#### **N. SCHOOL CLOSINGS**

In the event that it is necessary to close schools, a phone message will be sent through School Messenger to the number listed by the parent/guardian on the emergency card, which should be kept up-to-date. In addition, radio, television, and social media announcements will be made. **Please do not call the schools to check on school closing.** When schools are closed, all school-related extra-curricular activities will also be cancelled.

#### **O. SKATEBOARDS/LONGBOARDS/HOVERBOARDS**

Skateboards/Longboards/Hoverboards are not to be used on school property at any time.

#### **P. SURVEYS – CASD POLICY 235.1**

Surveys may be administered throughout the school year. Parents/guardians will receive prior notification in order to review the scope of the survey. Parents can then opt students out.

#### **Q. STUDENT EXPRESSION/DISTRIBUTION AND POSTING OF MATERIALS – CASD POLICY 220**

Students have the right to express themselves unless such expression is likely to or does materially or substantially interfere with the educational process, including school activities, school work, discipline, safety and order on school property or at school functions; threatens serious harm to the school or community; encourages unlawful activity; or interferes with another's rights.

Student expression that occurs on school property or at school-sponsored events is fully governed by this policy. In addition, off-campus or after hours expression is governed by this policy if the student expression involved constitutes unprotected expression as stated in this policy and provided the off-campus or after hours expression does or is likely to materially or substantially interfere with the educational process, including school activities, school work, discipline, safety and order on school property or at school functions; threatens serious harm to the school or community; encourages unlawful activity; or interferes with another's rights.

The Board requires that distribution and posting of non-school materials shall occur only at the places and during the times set forth in written procedures. Such procedures shall be written to permit the safe and orderly operation of schools, while recognizing the rights of students to engage in protected expression.

### **Unprotected Student Expression**

The Board reserves the right to designate and prohibit manifestations of student expression that are not protected by the right of free expression because they violate the rights of others or where such expression is likely to or does materially or substantially interfere with school activities, school work, discipline, safety and order on school property or at school functions. While the following list is not intended to be exhaustive, such expression shall not be protected if it:

1. Violates federal, state or local laws, Board policy or district rules or procedures.
2. Is libelous, defamatory, obscene, lewd, vulgar or profane.
3. Advocates the use or advertises the availability of any substance or material that may reasonably be believed to constitute a direct and serious danger to the health or welfare of students, such as tobacco/nicotine, alcohol or illegal drugs.
4. Incites violence, advocates use of force or threatens serious harm to the school or community.
5. Is likely to or does materially or substantially interfere with the educational process, such as school activities, school work, discipline, safety and order on school property or at school functions.
6. Interferes with, or advocates interference with, the rights of any individual or the safe and orderly operation of the schools and their programs.
7. Violates written school district procedures on time, place and manner for posting and distribution of otherwise protected expression.

Spontaneous student expression which is otherwise protected speech is not prohibited by this section.

### **Discipline for Engaging in Unprotected Expression**

The Board reserves the right to prohibit the posting or distribution of non-school materials containing unprotected expression and to prohibit students from engaging in other unprotected student expression, as well as to stop unprotected student expression when it occurs. The Board reserves the right to discipline students for engaging in unprotected expression. Where such expression occurs off campus and away from school functions, a nexus between the unprotected expression and a material and substantial disruption of the school program must be established.

### **Distribution of Non-school Materials**

The Board requires that students who wish to distribute or post non-school materials on school property shall submit them at least one (1) school day in advance of planned distribution or posting to the building principal or designee, who shall forward a copy to the Superintendent.

If the non-school materials contain unprotected expression as stated in this policy, the building principal or designee shall notify the students that they may not post or distribute the materials because the materials constitute a violation of Board policy.

If notice is not given during the period between submission and the time for the planned distribution or posting, students may proceed with the planned distribution or posting, provided they comply with written procedures on time, place and manner of posting or distribution of non-school materials.

Students who post or distribute non-school materials in compliance with this provision may still be ordered to desist such distribution if the materials are later found to be unprotected expression under this policy.

Students who distribute printed materials shall be responsible for clearing any litter that results from their activity and shall schedule the event so that they do not miss instructional time themselves.

### **Posting of Non-school Materials**

If a school building has an area where individuals are allowed to post non-school materials, students may post such items as well, if the materials do not constitute unprotected expression and the items are submitted for prior review in the same manner as if the students were going to distribute them.

Such materials shall be officially dated, and the district may remove the materials within ten (10) days of the posting or other reasonable time as stated in the procedures relating to posting.

### **Review of Student Expression**

School officials shall not censor or restrict non-school materials or other student expression for the sole reason that it is critical of the school or its administration, or because the views espoused are unpopular or may make people uncomfortable.

Student-initiated religious expression is permissible and shall not be prohibited except as to time, place and manner of distribution, or if the expression involved violates some other part of this policy, e.g., because it is independently determined to be unprotected expression under the standards and definitions of this policy.

The review for unprotected expression shall be reasonable and not calculated to delay distribution.

Appeal of the reviewer's decision may be made to the Superintendent and then to the Board, in accordance with Board policy and district procedures.

### **R. STUDENT USE OF MOTOR VEHICLES – CASD POLICY 223**

Driving a motor vehicle to school is a privilege, not a right. To be eligible to drive to school, a student agrees to meet all of the following regulations:

2. All vehicles driven to school by students should be locked and are not to be occupied or moved until the end of the student's school day.

A student's driving privilege may be suspended by the Administration for any of the following reasons:

1. Truancy, excessive tardiness, or absence.
2. Reckless driving on school property or en route to school or home from school or a school related activity.
3. Use of an automobile to leave school without permission.
4. Improper use of vehicle on school property or en route to school or home from school or a school related activity.

**Any vehicle entering or parked on school property is subject to search by school authorities (with reasonable suspicion) and/or law enforcement personnel (with probable cause and/or pursuant to Pennsylvania and federal law). Such search may be conducted without warrant for any reasonable purpose.**

Search of the vehicle may include all compartments and components thereof, provided that searching that compartment or components could reasonably produce evidence of the violation of school rules or law about which the school official has reasonable suspicion where violated. Once a search begins, the person in control of the vehicle will not be permitted to remove it from the premises during the reasonable duration of the search.

### **S. TECHNOLOGY EQUIPMENT PROCEDURES**

All students and parents/guardians must have read the Corry Area School District Acceptable Use of Internet Policy (Board Policy #814), therelated "Acceptable Use and Internet Safety Policy," and have a signed Student User Agreement on file with the building administration. ## **V. AUDIO/VIDEO RECORDING**

### **School Buildings and Property**

Video cameras are used throughout the school buildings and property. The cameras are intended to discourage misconduct and investigate incidents.

### **Transportation – CASD POLICY 810.2**

School bus means a motor vehicle that is designed to carry eleven (11) passengers or more, including the driver, and is used for the transportation of preprimary, primary or secondary school students to or from public, private or parochial schools or events related to such schools or school-related activities.

School vehicle means a motor vehicle, except a motorcycle, designed for carrying no more than ten (10) passengers, including the driver, and used for the transportation of preprimary, primary or secondary school students while registered by or under contract to the school district. The term includes vehicles having chartered, group and party rights under the Pennsylvania Public Utility Commission and used for the transportation of school children.

The Board authorizes the use of video and audio recording on school buses and school vehicles for disciplinary and security purposes.

The Board prohibits the use of audio recording on any school bus or school vehicle that is not being used for a school-related purpose.

### **Delegation of Responsibility**

The Board directs the Superintendent or designee to ensure that:

1. Each school bus and school vehicle that is equipped with video and audio recording equipment contains a clearly posted notice informing drivers and passengers of the potential for video and audio recording.
2. This policy is posted on the district's publicly accessible website.
3. Each school year, this policy is included in the student handbook and in any other district publication that sets forth the comprehensive rules, procedures and standards of conduct.

### **Guidelines**

The district shall comply with the provisions of federal and state laws and regulations regarding student record requirements as applicable to the district's use and disclosure of recordings. Recordings considered part of a student's educational record shall be maintained in accordance with established student record procedures governing access, review and disclosure of student records.

## **W. SCHOOL VISITORS – CASD POLICY 907**

Persons wishing to visit a school should make arrangements in advance with the school office in that building.

Upon arrival at the school, visitors must register at the office where they must provide any required information or identification to protect the health and safety of students, staff and the school community, as well as sign in and sign out, receive a badge, receive instructions and be informed of the school's health and safety rules, which must be followed prior to entry and while the visitor is in the school building and on school property.

Only one (1) designated entrance that is monitored and capable of controlling visitor entry shall be used by visitors to the school. All other entrances shall be locked.

All staff members shall be responsible for requiring a visitor demonstrate that the visitor has a visitor's badge and has registered at the school office and received authorization to be present for the purpose of conducting business.

No visitor may confer with a student in school without the approval of the building principal.

Should an emergency require that a student be called to the school office to meet a visitor, the building principal or designee shall be present during the meeting.

Failure to comply with this policy shall result in more limited access to the school as determined by the building principal, consistent with Board policies, administrative regulations, school rules and federal and state law and regulations.

### Classroom Visitations

Parents/Guardians may request to visit their child's classroom, but the request must be made prior to the visit, in accordance with established administrative regulations.

The building principal or program supervisor must grant prior approval for the visit, and shall notify the classroom teacher prior to the visit.

Parents/Guardians shall be limited to one (1) class period per month, per child in the school for classroom visitations, in order to minimize disruption of the classroom schedule and the educational program. Parental participation in classroom activities or programs such as room parents, back-to-school events, and chaperones for field trips shall not constitute a classroom visit for purposes of this policy.

The building principal or program supervisor and classroom teacher have the authority to ask a visitor to leave if the visitor disrupts the classroom routine, educational program or daily schedule, or if a visitor violates Board policy. Failure to leave when asked or repeated, documented disruptions may result in loss of classroom visitation privileges.

Under exceptional circumstances and upon request of the building principal, program supervisor, classroom teacher or parent/guardian, the Superintendent may authorize additional or longer classroom visits by a parent/guardian.

### **X. STUDENT VISITORS**

Only students who are currently enrolled as Corry Area School District students are permitted in the building during the schoolday.

## **IX. DISCRIMINATION/TITLE IX SEXUAL HARASSMENT AFFECTING STUDENTS – CASD POLICY 103**

### **Authority**

The Board declares it to be the policy of this district to provide an equal opportunity for all students to achieve their maximum potential through the programs and activities offered in the schools without discrimination on the basis of race, color, age, creed, religion, sex, sexual orientation, ancestry, national origin, marital status, pregnancy or handicap/disability.

The Board also declares it to be the policy of this district to comply with federal law and regulations under Title IX prohibiting sexual harassment, which is a form of unlawful discrimination on the basis of sex. Such discrimination shall be referred to throughout this policy as Title IX sexual harassment. Inquiries regarding the application of Title IX to the district may be referred to the Title IX Coordinator, to the Assistant Secretary for Civil Rights of the U.S. Department of Education, or both.

The district is committed to the maintenance of a safe, positive learning environment for all students that is free from discrimination by providing all students course offerings, counseling, assistance, services, employment, athletics and extracurricular activities without any form of discrimination, including Title IX sexual harassment. Discrimination is inconsistent with the rights of students and the educational and programmatic goals of the district and is prohibited at or, in the course of, district-sponsored programs or activities, including transportation to or from school or school-sponsored activities.

Violations of this policy, including acts of retaliation as described in this policy, or knowingly providing false information, may result in disciplinary consequences under applicable Board policy and procedures. This policy prohibits individuals from knowingly making false statements or knowingly submitting false information during the Title IX grievance process outlined in Attachment 3 and during other grievance processes established by Board policy and procedures and/or the Student Code of Conduct. A violation of this prohibition by district students may lead to discipline, up to and including referral for expulsion.

The Board directs that the foregoing statement of Board policy be included in each student and staff handbook, and that this policy and related attachments be posted to the district's website.

The Board requires a notice stating that the district does not discriminate in any manner, including Title IX sexual harassment, in any district education program or activity, to be issued to all students, parents/guardians, employment applicants, employees and all unions or professional organizations holding collective bargaining or professional agreements with the district. All discrimination notices and

information shall include the title, office address, telephone number and email address of the individual(s) designated as the Compliance Officer and Title IX Coordinator.

This Policy 103 references two documents, entitled “103 Attachment 2, Discrimination Complaint Procedures,” and “Attachment 3, Title IX Sexual Harassment Procedures and Grievance Process for Formal Complaints.” The Board intends these two attachments to be substantive components of this Policy and incorporates them by reference into this Policy as if fully set forth herein.

### **Reports of Title IX Sexual Harassment and Other Discrimination and Retaliation**

The Board encourages students and third parties who believe they or others have been subject to Title IX sexual harassment, other discrimination or retaliation to promptly report such incidents to the building principal or the Title IX Coordinator, even if some elements of the related incident took place or originated away from school grounds, school activities or school conveyances. A person who is not an intended victim or target of discrimination but is adversely affected by the offensive conduct may file a report of discrimination.

The student’s parents/guardian or any other person with knowledge of conduct that may violate this policy is encouraged to immediately report the matter to the building principal or the Title IX Coordinator.

A school employee who suspects or is notified that a student has been subject to conduct that constitutes a violation of this policy shall immediately report the incident to the building principal or the Title IX Coordinator, as well as properly making any mandatory police or child protective services reports required by law.

If the building principal is the subject of a complaint, the student, third party or a reporting employee shall report the incident directly to the Title IX Coordinator.

The complainant or the individual making the report may use the Discrimination/Sexual Harassment/Bullying/Hazing/Dating Violence/Retaliation Report Form attached to this policy for purposes of reporting an incident or incidents in writing; however, verbal reports of an incident or incidents shall be accepted, documented and the procedures of this policy and the relevant attachments followed.

The building principal (or any other employee of the district who received the report) shall promptly notify the Title IX Coordinator of all reports of discrimination, Title IX sexual harassment or retaliation. The Title IX Coordinator shall promptly contact the complainant and, if deemed to be necessary, the reporter if not the complainant, regarding the report to gather additional information as necessary, and to discuss the availability of supportive measures for the complainant. The Title IX Coordinator shall consider the complainant’s wishes with respect to supportive measures.

The Title IX Coordinator shall conduct an assessment of the information supplied by the reporter and/or complainant to determine whether the reported circumstances, if presumed to be true, could constitute Title IX sexual harassment or retaliation. If they do not, they may be addressed through the Discrimination Complaint Procedures prescribed in Attachment 2 to this policy. If the reported circumstances, if presumed to be true at this point in the process, meet the definition of Title IX sexual harassment, they shall be addressed through the Title IX Sexual Harassment Procedures and Grievance Process for Formal Complaints in Attachment 3. (Also refer to Attachment 3 on how to proceed if/when the complainant refuses to sign a Title IX formal complaint and is requesting that a formal complaint under Title IX not be filed by the Title IX Coordinator.) If the reported circumstances, presumed to be true, do not constitute either Title IX sexual harassment or retaliation nor conduct otherwise prohibited in this Policy 103 and Attachment 2, the Title IX Coordinator shall refer the report for follow-up under any other applicable Board policies and/or the Student Code of Conduct.

### **Disciplinary Procedures When Reports Allege Title IX Sexual Harassment**

When a report alleges Title IX sexual harassment, disciplinary sanctions may not be imposed until the completion of the grievance process for formal complaints outlined in Attachment 3. The district shall presume that the respondent is not responsible for the alleged conduct until a determination has been made at the completion of the grievance process for formal complaints.

If possible, the district will refrain from pursuing disciplinary action pursuant to the Student Code of Conduct until such time the Title IX grievance process has concluded. This means suspensions and expulsion referrals may be temporarily postponed until the conclusion of the Title IX grievance process when/if the district, in consultation with the Title IX Coordinator, determines that supportive measures and other non-punitive actions agreed to by the parties (ex: complainant and respondent voluntarily agree to stay away from each other; respondent voluntarily participates in the school district’s online/virtual education program or other alternative setting during the grievance process, etc.) result in there being no immediate threat to the physical health or safety of any student or other individual arising from the allegations during the grievance process period.

The respondent shall be provided with notice and provided an opportunity for due process, in accordance with law, regulations and Board policy. When expulsion is necessary because continuation of educational services is not feasible. If, however, the district, in

consultation with the Title IX Coordinator, after having taken an initial individualized safety and risk analysis, believes the respondent must be removed from the district's education program or activity on an emergency basis during the Title IX grievance process in order to address an immediate threat to the physical health or safety of an individual, the process outlined in detail in Attachment 3 shall be followed.

When an emergency removal is not required, disciplinary sanctions shall be considered in the course of the Title IX grievance process for formal complaints. Following the issuance of the written determination and any applicable appeal, any disciplinary action specified in the written determination or appeal decision shall be implemented in accordance with the normal procedures for suspensions, expulsions or other disciplinary actions, including specific provisions to address a student with a disability where applicable.

### **Confidentiality**

Confidentiality of all parties, witnesses, the allegations, the filing of a report and the investigation related to any form of discrimination or retaliation, including Title IX sexual harassment, shall be handled in accordance with applicable law, regulations, this policy, the attachments and the district's legal and investigative obligations.

### **Retaliation**

The Board prohibits retaliation by the district or any other person against any person for:

1. Reporting or making a formal complaint of any form of discrimination or retaliation, including Title IX sexual harassment.
2. Testifying, assisting, participating or refusing to participate in a related investigation, process or other proceeding or hearing.
3. Acting in opposition to practices the person reasonably believes to be discriminatory.

The district, its employees and others are prohibited from intimidating, threatening, coercing, or discriminating against anyone for actions described above. Individuals are encouraged to contact the Title IX Coordinator immediately if retaliation is believed to have occurred.

### **Definitions**

**Complainant** shall mean an individual who is alleged to be the victim.

**Respondent** shall mean an individual alleged to be the perpetrator of the discriminatory conduct.

### **Discrimination**

**Discrimination** shall mean to treat individuals differently, or to harass or victimize based on a protected classification including but not necessarily limited to race, color, age, creed, religion, sex, sexual orientation, ancestry, national origin, marital status, pregnancy, or handicap/disability.

**Harassment** is a form of discrimination based on the protected classifications listed in this policy consisting of unwelcome conduct such as graphic, written, electronic, verbal or nonverbal acts including offensive jokes, slurs, epithets and name-calling, ridicule or mockery, insults or put-downs, offensive objects or pictures, physical assaults or threats, intimidation, or other conduct that may be harmful or humiliating or interfere with a person's school or school-related performance when such conduct is:

2. Sufficiently severe, persistent or pervasive; and
3. A reasonable person in the complainant's position would find that it creates an intimidating, threatening or abusive educational environment such that it deprives or adversely interferes with or limits an individual or group of the ability to participate in or benefit from the services, activities or opportunities offered by a school.

### **Definitions Related to Title IX Sexual Harassment**

**Formal complaint** shall mean a document filed by a complainant or signed by the Title IX Coordinator alleging Title IX sexual harassment and requesting that the district investigate the allegation under the grievance process for formal complaints. The authority for the Title IX Coordinator to sign a formal complaint does not make the Title IX Coordinator a party in the grievance process for formal complaints. The phrase "document filed by a complainant" refers to a document or electronic submission that contains the complainant's physical or digital signature, or otherwise indicates that the complainant is the person filing the formal complaint.

**Supportive measures** shall mean nondisciplinary, nonpunitive individualized services offered as appropriate, as reasonably available, and without fee or charge to the complainant or the respondent before or after the filing of a formal complaint or where no formal complaint has been filed.

**Supportive measures** shall be designed to restore or preserve equal access to the educational program or activity without unreasonably burdening the other party, including measures designed to protect the safety of all parties or the educational environment, or to deter sexual harassment. Supportive measures may include, but are not limited to:

1. Counseling.
2. Extensions of deadlines or other course-related adjustments.
3. Modifications of work or class schedules.
4. Campus escort services.
5. Mutual restrictions on contact between the parties.
6. Changes in work or housing locations.
7. Leaves of absence.
8. Increased security.
9. Monitoring of certain areas of the campus.
10. Assistance from domestic violence or rape crisis programs.
11. Assistance from community health resources including counseling resources.

**Supportive measures** may also include assessments or evaluations to determine eligibility for special education or related services, or the need to review an Individualized Education Program (IEP) or Section 504 Service Agreement based on a student's behavior. This could include, but is not limited to, a manifestation determination or functional behavioral assessment (FBA), in accordance with applicable law, regulations or Board policy.

**Title IX sexual harassment** means conduct on the basis of sex that satisfies one or more of the following:

1. A district employee conditioning the provision of an aid, benefit, or district service on an individual's participation in unwelcome sexual conduct, commonly referred to as quid pro quo sexual harassment.
2. Unwelcome conduct determined by a reasonable person to be so severe, pervasive and objectively offensive that it effectively denies a person equal access to a district education program or activity.
3. Sexual assault, dating violence, domestic violence or stalking.
  - a. **Dating violence** means violence committed by a person who is or has been in a social relationship of a romantic or intimate nature with the victim and where the existence of such a relationship is determined by the following factors:
    - i. Length of relationship.
    - ii. Type of relationship.
    - iii. Frequency of interaction between the persons involved in the relationship.
  - b. **Domestic violence** includes felony or misdemeanor crimes of violence committed by a current or former spouse or intimate partner of the victim, by a person with whom the victim shares a child in common, by a person who is cohabitating with or has cohabitated with the victim as a spouse or intimate partner, by a person similarly situated to a spouse of the victim under the domestic or family violence laws of the jurisdiction receiving federal funding, or by any other person against an adult or youth victim who is protected from that person's acts under the domestic or family violence laws of the jurisdiction.
  - c. **Sexual assault** means a sexual offense under state or federal law that is classified as a forcible or nonforcible sex offense under the uniform crime reporting system of the Federal Bureau of Investigation.
  - d. **Stalking**, under Title IX means stalking on the basis of sex, for example when the stalker desires to date a victim. Stalking means to engage in a course of conduct directed at a specific person that would cause a reasonable person to either:
    - i. Fear for their safety or the safety of others.
    - ii. Suffer substantial emotional distress.

Such conduct must have taken place during a district education program or activity and against a person in the United States to qualify as sexual harassment under Title IX. An **education program or activity** includes the locations, events or circumstances over which the district exercises substantial control over both the respondent and the context in which the harassment occurs. Title IX applies to all of a district's education programs or activities, whether such programs or activities occur on-campus or off-campus.

## **X. BULLYING/CYBERBULLYING – CASD POLICY 249**

### **Purpose**

The Board is committed to providing a safe, positive learning environment for district students. The Board recognizes that bullying creates an atmosphere of fear and intimidation, detracts from the safe environment necessary for student learning, and may lead to more serious violence. Therefore, the Board prohibits bullying by district students.

### **Definitions**

**Bullying** means an intentional electronic, written, verbal or physical act or series of acts directed at another student or students, which occurs in a school setting and/or outside a school setting, that is severe, persistent or pervasive and has the effect of doing any of the following:

1. Substantially interfering with a student's education.
2. Creating a threatening environment.
3. Substantially disrupting the orderly operation of the school.

**Bullying**, as defined in this policy, includes cyberbullying.

**School setting** means in the school, on school grounds, in school vehicles, at a designated bus stop or at any activity sponsored, supervised or sanctioned by the school.

### **Authority**

The Board prohibits all forms of bullying by district students.

The Board encourages students who believe they or others have been bullied to promptly report such incidents to the building principal or designee.

Students are encouraged to use the district's report form, available from the building principal, or to put the complaint in writing; however, oral complaints shall be accepted and documented. The person accepting the complaint shall handle the report objectively, neutrally and professionally, setting aside personal biases that might favor or disfavor the student filing the complaint or those accused of a violation of this policy.

The Board directs that verbal and written complaints of bullying shall be investigated promptly, and appropriate corrective or preventative action be taken when allegations are substantiated. The Board directs that any complaint of bullying brought pursuant to this policy shall also be reviewed for conduct which may not be proven to be bullying under this policy but merits review and possible action under other Board policies.

### **Title IX Sexual Harassment and Other Discrimination**

Every report of alleged bullying that can be interpreted at the outset to fall within the provisions of policies addressing potential violations of laws against discrimination shall be handled as a joint, concurrent investigation into all allegations and coordinated with the full participation of the Compliance Officer and Title IX Coordinator. If, in the course of a bullying investigation, potential issues of discrimination are identified, the Title IX Coordinator shall be promptly notified, and the investigation shall be conducted jointly and concurrently to address the issues of alleged discrimination as well as the incidents of alleged bullying.

### **Confidentiality**

Confidentiality of all parties, witnesses, the allegations, the filing of a complaint and the investigation shall be handled in accordance with applicable law, regulations, this policy and the district's legal and investigative obligations.

### **Retaliation**

Reprisal or retaliation relating to reports of bullying or participation in an investigation of allegations of bullying is prohibited and shall be subject to disciplinary action.

### **Delegation of Responsibility**

Each student shall be responsible to respect the rights of others and to ensure an atmosphere free from bullying.

The Superintendent or designee shall develop administrative regulations to implement this policy.

The Superintendent or designee shall ensure that this policy and administrative regulations are reviewed annually with students.
